and more

gross PER WEEK . . .

FEATURES:

★ The "SKILL-STOP" version receives 250 points and 6 spins for 25¢. The "SKILL-HOLD" version receives 250 points and 20 spins for 25¢. Player can purchase additional 250 point increments for 25¢, up to a maximum of $1.00 per game for either version of MAGIC RESPINS.

★ Player uses "SKILL-STOP" buttons to start and stop each of the 4 reels and tries to place winning symbol combinations on the "win" line. Player uses "SKILL-HOLD" buttons to "hold" one or more reels and spin the remaining reel(s) to try and match the symbols the player has held. Two different and exciting play versions.

★ Player bets up to a maximum of 1000 points per spin. Wins can be collected or gambled by playing a special and unique Shell Game that can multiply the player's "win" points up to 9 times!

★ MAGIC RESPINS -- a special mstrix and bonus feature - a game within a game. A truly exciting and exclusive feature.

★ Exclusive round wheel illusion while the reels spin, and a "reel bounce" when the symbols stop on the "win" line.

★ SUPER JACKPOTS and MYSTERY BONUSES provide thrills.

★ Available in Counter Top or Upright models, in either "SKILL-STOP" or "SKILL-HOLD" versions.

★ Legal - absolutely cannot be used as a gamble slot machine. You play for score, not money.
